

## PG LIFE LINK Expands Laboratory Power System (LPS) Product Line

September 26, 2008

**PG LIFE LINK** introduces a full line of **LABORATORY POWER SYSTEM (LPS) PRODUCTS**. <http://www.pglifelink.com/lab-power-systems.htm> They supply many of the leading laboratory furniture builders and installers across North America. Their product offerings include **Service Pedestals, Power Strips, Power Poles, Service Carriers** and **Connection Plates**. Even with the expansion of this line, **PG LIFE LINK** still provides the best quality aluminum surface mount raceways in the industry – **VERSA-DUCT RACEWAY SYSTEMS®**.

The **LPS PRODUCTS** are for installation in laboratories and research facilities. Design engineers are available to assist you with your project specifications and custom design applications. Retrofit and replacement pedestals are always available.
